Inside the building are two rooms—one provided with bunks for very small or sleeping babies, and a separate room for the high-chair babies who want to be amused. A charge of 10 cents per hour is made for this service; reduced rate to families with several small children who will play together.

Measurement

11. In classes where height is specified, horses and ponies shall be measured by such person or persons as the Executive Committee may appoint, in the shoes in which such horses and ponies will compete, and the certificate of measurement must be in the possession of the exhibitor before the time of judging, and will be accepted for this year's Show, unless the judge of the event in which such horses or ponies are entered shall direct re-measurement to be made by the official measurer, which re-measurement shall be accepted. No changing of shoes to affect a re-measurement will be permitted. In saddle and light harness classes competitors must have certificate of height, by authorized or official measurer, in the ring at time of showing, for inspection by the judge, if required. The Executive Committee may order any horse or pony measured, at any time, whether before or after the class has been judged, and any competitor refusing to bring such animal out for measurement will forfeit any prize money won by him at this Show. The official measurer will be at the office of the Live Stock Superintendent in the Arena from 10.30 a.m. to 12 a.m. the first two days of the Show—July 14 and 15—prepared to issue certificates of height. In classes for pairs, or four-horse or six-horse teams, if one horse in a pair or two in a four-horse team or three in a six-horse team should be half an inch under or half an inch over the prescribed height, such difference shall not disqualify the team.

Weight of Horses

12. In classes where weight is specified, the exhibitor is required to have his horses weighed on the Edmonton Exhibition grounds, and obtain a certificate from the Superintendent, or such person as may be appointed by the Executive Committee, which certificate must be in the possession of the exhibitor before the time of showing. The Superintendent will be in his office from 10.30 a.m. to 12 a.m. on the first two days of the Show—July 14 and 15—prepared to issue such certificates. The certificates of weight as issued by the Superintendent shall be accepted unless the judge of the event or the Executive Committee directs that the animal shall be re-weighed, in which case this request must be complied with.

Duties of Exhibitors

13. No animal or exhibitor shall be decorated with medals or prize ribbons until after the awards have been made in the respective events in which such animal is shown or exhibited.

14. Every exhibitor shall, either by himself or by some person appointed by him in his place, be in charge of any animal shown or exhibited by such exhibitor in any event, and such exhibitor or such appointed person shall be in attendance, neatly and properly dressed, accompanied by the animal to be shown or exhibited, at the place appointed by the Directors for the event in which such animal is to be exhibited or shown, at least thirty minutes before the time appointed by the Manager for the holding of such event.

Authority of Officials

15. The Directors shall be at liberty for cause, or in their uncontrolled discretion, and without giving any reason therefor, to bar any exhibitor and any animal from participating in, or continuing to participate or compete in, any event; and also cause any such exhibitor or any such animal to be removed from off the premises of the Association.

16. Every animal shall be produced by the exhibitor thereof at such times and at such places, and for such purposes, and shown or exhibited for such time and in such manner as the Manager or Judge of the event in which such animal is entered shall direct, and any refusal of such exhibitor to obey any such directions shall be construed as cause for such Manager or Judge to exercise the like powers which are hereby vested in such Manager or Judge as are vested in the Directors by Clause 14 hereof.

17. Every animal entered or offered for entry in any event shall be subject to such examinations at such times and places and by such veterinarians as the Manager appoints.

18. Where the total number of exhibitors in any event is less than three the Executive Committee shall be at liberty to amalgamate such event with any other event of the like character, and where there is only one exhibitor in any event, or where the Judge is of the opinion that the animals exhibited do not justify an award, such Judge may withhold the awarding of any award for the same.

19. The Judge of any event may, if he deems it necessary, in order to make an award, ride or drive any horse or pony being shown or exhibited in such event, and such Judge may, if of the opinion that any horse or pony being shown or exhibited is not sufficiently under control, bar such horse or pony from further showing in such or any other event.

Fraudulent Practice

20. If any exhibitor be guilty of any fraudulent practice or shall conspire with another person for the commission of, or shall connive with any other person for the commission of, any corrupt or fraudulent practice in relation to any event, or shall show or exhibit an animal not properly entered, or shall administer or cause to be administered a drug or stimulant internally or by hypodermic method, prior to or during any event, or who shall use or cause to be used appliances, electrical or mechanical, other than the ordinary whip or spur during any event, shall be disqualified by the Judge from further participating in the event in which such offence occurs, and such Judge may also exercise all the powers given to a Judge under Clause 15 hereof.

21. Any exhibitor who shall at any time or at any place attempt to interfere with or influence any Judge or any official of any event or of the Association, or who shall at any time on the premises of the Association be intoxicated or use improper language to any such Judge or official, or to any of the public resorting to such premises, or refuses to accept any award made by a Judge shall, at the discretion of the Manager, forfeit any award already made to him, and the Manager may, with like discretion, exercise all the powers given to the Directors under Clause 14 hereof.

24. Only an exhibitor in the class affected, or an official of the Edmonton Exhibition Association, or a member of the Board of Directors, may make a protest. Any exhibitor lodging a protest must first deposit \$5.00 with the Manager, which sum shall be forfeited to the Association if the protest be not sustained. All protests must be made in writing, setting forth the reasons for the protest, signed by the protestor, and must be lodged within 24 hours after the award is made. In case of any infringement of the rules, the Directors may take action without a protest being filed.

If at any time the Directors shall deem it necessary or expedient to make any alteration in or addition to any of the foregoing rules and regulations, or in the published conditions of any event, they may do so; and all such alterations or additions shall be adhered to and have the same effect as if originally embodied in these Rules and Regulations.

TWO PRINTING PRESSES

**that look the same, cost the same and actually
are the same, frequently deliver work
that is far different in character**

It isn't the press or the equipment that makes good printing or poor printing: It's the men who guide the machinery—the brains back of the effort.

It isn't what one has to do with but what one does with it that counts. For this reason we like to talk more about what we've done and can do than about the tools we use.

Our growing list of satisfied customers among the buyers of printing who discriminate between "the lowest bid" and the "greatest value" is the best proof of the efficiency of "DOUGLAS SERVICE."

CO-OPERATIVE SALE OF WOOL

WHEN TO SHIP—As soon as sheep are sheared; the wool will be shipped to Toronto as fast as carloads can be made up; this has not been possible in previous years, when a special staff had to be put on for this work, and in the interest of economy the wool had to be shipped between specified dates. The Association offices are now permanently located in the Arena on the Edmonton Exhibition Grounds, however, and arrangements have been made to receive the wool at any time without increase in cost. **NO WOOL RECEIVED AFTER AUGUST 1st.**

A Valued Opinion!

OSTEOPATHY is wonderful because it is
logic—amazing because of its simplicity.

It is painless and immediately beneficial,
and I do not know of any disease that does not
respond to osteopathic treatment.

The man or woman who does not make an
occasional visit to a recognised osteopath—who
isn't to be confused with bone setters and un-
qualified quacks—is missing health and happiness
every day of his or her life.

BUTTER

Butter or packages containing it, must not be branded or exhibit any marks before being judged, except as specified hereafter.

The creamery butter will be judged upon the basis of export type, salting $1\frac{1}{2}$ per cent. to 2 per cent. Scale of points: Flavor, 45; texture, 15; incorporation of moisture, 10; color, 10; salting, 10; finish, 10. The general standard of color will be "June grass butter."

All exhibits, whether shipped or personally delivered to the Exhibition Association, must have entry tickets securely attached, otherwise a card bearing the name and address of the exhibitor. The packages should be covered by burlap or cotton to prevent soiling in transit and in handling.

All packages are to contain the weight of butter specified, with the usual allowance for shrinkage.

Method of Awarding Prizes in the Creamery Butter Classes

Prizes in Classes No. 2003, No. 2004, and No. 2005 will be awarded according to the following plan:

(a) The sum of \$350.00 will be paid for prizes in the following classes.

(b) Any exhibit in these classes that shall qualify for standard "Special" grade—a score of 41 points or over for flavor and a total score of 94 points or over—will be awarded first, second or third prize and standing according to its individual score. The value of the prizes will be calculated upon the basis of two units for first prize, and one and one-half for second, and one unit for third prize. Provided, however, that after taking into consideration the general conditions surrounding the manufacture and the storing of the exhibits in either of the classes, the executive committee may, upon the written recommendation of the judge or judges of the butter, authorize a uniform reduction of up to 1 (one) point in the minimum score ordinarily required to score for standing.

MILK POSTER COMPETITION

Prizes for The Milk Poster Competition are donated by the Edmonton City Dairy and the Woodland Dairy.

This competition is open to all boys and girls attending public, separate and secondary schools, including collegiate institutes and preparatory colleges.

Pupils may compete in either of the two following classes:

Class A—Pupils of any institution up to and including Grade 8.

Class B—Pupils of high schools, technical schools and preparatory colleges, etc., above Grade 8.

Posters must be completed and delivered at the Dairy Building on the Exhibition grounds not later than 10 a.m. of Friday, July 10th.

On the reverse side of the poster must be shown the name of the school the class or grade, and the name of the pupil, together with the name of the teacher, to certify as to the correctness of this information.

Posters will be judged on the basis of a possible score of 100 points, as follows: 50% for originality, 50% for workmanship, including neatness and design.

While no specified size of poster is called for, 12" x 18" is recommended as being the minimum for a good poster.

All winning posters will be the property of the Edmonton City Dairy and Woodland Dairy.

Prizes—Class A—1st prize, \$5; 2nd, prize \$3; 3rd prize, \$2; 4th prize, \$1.50; 5th prize, \$1.

Prizes—Class B—1st prize, \$5; 2nd prize, \$3; 3rd prize, \$2; 4th prize, \$1.50; 5th prize, \$1.

Suggestions for making posters—Originality of idea is a primary requisite; illustrations may be original or cut from magazines; objects in motion have higher attention value than stationary objects; the comic closely tied up with the idea of the poster adds to the interest; the span of attention is limited, so a clear, easily read sentence should be chosen, brief and to the point; letters may be drawn or cut from paper; there must be harmony of color; brightness adds to the interest; a line forming a margin gives continuity.

These suggestions are intended only as a guide to those who have not had experience in poster work.

DEPARTMENT TEN

Application and Allotment of Space

For the exhibit of all classes of manufacturers, application for space should be made as early as possible.

In the allotment of space, the manager or director in charge reserves the right to place exhibits in any department to which, in his opinion, they properly belong.

Preparation of Exhibits

Exhibitors are respectfully notified that Monday, July 13th, is Preparation Day. All goods must be in position not later than 6 p.m. Monday, July 13th.

Extent and Character of Exhibits

Where space has been allotted to any exhibitor the manager or director in charge reserves the right, in case any exhibitor shall fail to have his exhibit placed by the proper time or shall fail to make or maintain a creditable display, to declare the space allotted to him, or any portion thereof, forfeited.

The manager reserves the right to prescribe the dimensions of and regulate the position of all signs, and generally to direct the management of articles on exhibition, so far as the same may be necessary to secure harmony and an attractive appearance.

Every facility will be afforded for the transaction of business by taking orders, but no delivery of articles sold can be made on the premises during the Exhibition, except by special arrangement.

Exhibitors will not be allowed to distribute hand-bills or other advertisements about the grounds or buildings. Advertising matter must be distributed from the space where the exhibit is installed. Neat cards for this purpose are recommended, as they are more likely to be kept by the visitors and not thrown to the ground.

Any exhibitor, concessionaire or attendant making unseemly noises or otherwise calling the attention of visitors to his exhibits in a way that may be considered by the board of directors or manager unseemly or a nuisance, shall be liable to forfeit his space and all privileges as an exhibitor or concessionaire, if the board of directors or manager so determines.

Any exhibitor guilty of distributing advertising cards or notices either personally or by agent, that may be considered immoral or objectionable by the board of directors or manager, shall forfeit his or her space, and all privileges as exhibitor.

If space allotted is accepted and exhibit not installed, any money paid for same will be forfeited.

All decorations made by exhibitors will be subject to the approval of the directors in charge or the manager of the building, both as to character and material used.

GRAND STAND PROGRAMME

The acts which will appear on the platform in front of the grand stand at the Edmonton Exhibition are

KIKUTAS JAPS

Six men and two girls in equilibristic displays; a beautifully costumed Oriental novelty.

YACOPI TROUPE

A maze of original acrobatics, forming a human bridge, showing triple somersault from plank to shoulders. Coming here direct from South America, the foreign costuming, super-sensational stunts, and strong vein of comedy, makes this act a very pleasing one.

FOUR CLIFTON GIRLS

The fastest and snappiest acrobatic dancing act ever offered the public.

BILLY LORETTE

One of the few nationally-known clowns still in the show business. Keep your eye on Lorette and you will be repaid in clean fun and high class entertainment.

PICKARD'S SEALS

Presenting a bewildering and incredible performance—rope walkers, musicians, jugglers, fish racing. Capt. Pickard has attained his great success with these seals by persistent kindness rather than severity, and rewarding the seals when they succeed.

THE LOMAS TROUPE

The latest importation from England, pantomimics supreme. There is not another troupe in the States or abroad with a routine similar to the Lomas family, so patrons are sure of witnessing something entirely new and vastly different, abounding in delightful comedy, and their finish on extraordinarily high stilts is a scream from start to finish. Two members of the troupe claim to be the champion horse impersonators of the universe, and their antics, as "Spark Plug," are sure to elicit rounds of applause.

AUTO RACES HORSE RACES FIREWORKS

STAMPEDE FEATURES EVERY DAY

Lord Bing, of Vimy, Governor General of Canada, will officially open the Edmonton Exhibition of 1925.

MEMORANDA

THE STAMPEDE

With "Strawberry Red," (known on formal occasions as E. L. Wall), supervising the stampede features and with forty of the best known and worst bucking horses in North America purchased by the Exhibition Board, and one hundred and fifty outlaws supplied from other sources, the Stampede at Edmonton will this year be an unqualified success.

The horses purchased by the Exhibition Association will appear exclusively at Edmonton this year, and include the three champions at Calgary last year, and practically every horse that has been a prize winner at the various stampedes held throughout Alberta.

Such horses as "Midnight" (champion buckler of Canada), Tumbleweed, So-So, Charlie King, Weasel, Grave-Digger, Steel-Gray, Satan, Sage Queen, Bassano Bay—these and many others have given conflict with the best cowboys of Alberta, and "Midnight" has never yet been successfully ridden. "Hell on four legs" was the terse description given by Don McDonald, champion bareback bucking horse rider of Canada, to "Tumbleweed" the big pinto buckler at Calgary last year. So-So, a chunky black outlaw mare, was adjudged the best bareback bucking horse in the west last year. Grave-Digger has the name of being one of the roughest horses in the West.

Midnight is worthy of a whole page to himself. Sired by a coal-black range stallion, out of a domestic saddle mare that ran the prairie around the Porcupine Hills free for a season, and rated as one of the best cow horses in the south country until he turned "bad" two years ago, docile as a kitten in the stable or pasture—lead him into a chute, throw a saddle on him, put a cowboy up—and out of the gates will come a pitching, sunfishing mass of horse-flesh, ears back, eyes rolling until only the whites are visible, tearing around in straight-legged jumps that threaten to snap the rider's neck in two—Midnight is guaranteed to provide thrills aplenty. Indian bronk riders cross their fingers and call him the "black devil," and boys like Pete Knight of Crossfield, Slim Watrin of High River, Pete La Grande of Pincher Creek, Bayse Collins of Elnor—openly admit that the rider who can boss Midnight should be crowned world's champion.

Strawberry Red wants to meet the cowboys who love a tussle with the "range bosses," at the Edmonton Stampede this year.
